

Animating Trade Routes through Primate Lifeways

June 12th–14th 2023
Konstanz, Germany

A three-day workshop at the Institute for Advanced Study (Zukunftskolleg) in Konstanz, Germany assembling primatologists, biogeographers, and archaeologists with the aim of fostering scholarly exchange, future collaborations, and new research programs around primates in antiquity.

Organizers:

Gisela Kopp, University of Konstanz
Nathaniel Dominy, Dartmouth College
